PROJECT

- **Visit Jatim** — **Feb 2024 – Mar 2024**

  I was the team leader of a project to develop a short guide website called Visit Jatim that aims to introduce East Java Province to the general public. Using technologies like Astro and Vue, we created a responsive and engaging user experience. As a result, many people started to be interested in visiting the province.

- **The East** **Mar 2024 – Apr 2024**

  I led a team to develop a website called The East to introduce the history and culture of Papua Island to the public. Using HTML5, CSS3, JavaScript and Bootstrap technologies, we created an engaging and responsive user experience. The impact was to increase the attractiveness of Papua among the general public.
